PROFESSIONAL/RESEARCH EXPERIENCE

Disaster Behavioral Health Planning Project (2003 to present). Project coordination for a multi-year, multi-component project for the Nebraska Department of Health and Human Services; work with key

stakeholders statewide; train and manage undergraduate research assistants; draft state plans and procedures; coordinate Nebraska's Risk Communication Cadre, write reports.

Public Health Surveillance System Evaluation Projects (2015 to present). Several projects beginning with development of a brief evaluation protocol based on CDC guidelines, development and delivery of training on use of the Brief Evaluation Protocol, completion of multiple evaluations using the protocol.

Lincoln Vital Signs (2012 to present). Supervise data collection, analysis, and reporting of results.

Insider Threat Reporting (2014). Directed data coding, analysis, and reporting of results.

Evaluation of the Public Health Training Center at the University of Nebraska Medical Center (2012-2013). Coordinate data entry; manage data; conduct data analysis, write reports.

Evaluations of Nebraska's Statewide Drug Courts (2010-2011; and 2007). Examine state-run database capabilities and completeness; develop coding schemes; manage data; perform data analysis; write reports.

Centers for Disease Control and Prevention Public Engagement Project for Pandemic Influenza (6 projects 2005 through 2010). Designed survey and other data collection; performed data analysis; wrote report of results; trained graduate student on presenting data to clients.

Design data collection procedures; manage data, and perform data analysis for a variety of projects (2006-present).
